Negro Man Sold on the Block 56 Years Ago Will Preach on the Same Spot

Our wide-awake and esteemed Springdale correspondent sends the following item of news which deserves more than the ordinary notice:
"Mr. Louis Robinson, a highly respected colored citizen of this Precinct, makes the following unique request:

Will you please ask THE PUBLIC LEDGER to print the following announcement?

Fifty-six years ago, on the 30th day of the present month, I was sold as a slave on the block at public auction to the highest bidder at Brooksville, Bracken county. I am now going to celebrate this anniversary by preaching there on the public streets at 2 o'clock p. m. on Saturday, March 30th."

Mr. Robinson is a thorough Christian man and a good tailor, with a remarkably pleasing personality.

We bespeak for him a good audience and courteous treatment."

A HANDSOME

Increase in Salary—Maysville Postoffice Clerks, Carriers and Rural Route Boys Benefited

The boys in the Postoffice have a pleasant surprise coming. Under the new postal law enacted by the last Congress they are substantially benefited.

City Carriers Thomas W. Breen and Harry Richardson get an increase from \$850 to \$1,000 and Frank R. Hauke from \$600 to \$800.

Rural Carriers Benjamin H. Greenlee, D. P. Glascock, B. K. Muse, F. H. Wright and Byron Rudy, jump from \$720 to \$900.

The Carriers salary will be increased \$100 per year until \$1,100 is reached. The Clerks in the office will receive the same compensation.

The new law makes it obligatory on the part of the Postmaster to recommend the increase each year until the amount stated above is reached.

Heretofore the Mailing Clerks were graded from \$400 to \$1,000. Under the new bill \$600 is the minimum salary.

It would be a joke on Speaker CANNON, if, after he had just begun to enjoy his little cruise in the West Indies, the President should call an extra session of Congress.

THE money expended for the Jamestown Exposition will exceed \$10,000,000. Many of the State Buildings are already completed and when the gates are thrown open on April 26th, the novel sight of a great Exposition complete and finished in all its appointments will greet the visitors.

It is being publicly stated at Washington and Cincinnati, that Congressman NICHOLAS LONGWORTH is serving his last term from the First Cincinnati District, as Boss Cox and Senator FORAKER are going to see that the only son-in-law of the President is left at the post next year. But the betting is largely in favor of Nick.

LOUISVILLE is cursed for its immorality and crime, but that city is certainly good to its deserving poor. During the January flood thousands of dollars and thousands of bushels of coal were supplied to the sufferers; and now the sum of \$5,000 in cash is to be divided among 200 persons to aid them in rebuilding their homes ruined by the flood. Charity, indeed, covereth a multitude of sins.

MODISTES of masculine fashions announce that freakishness in men's apparel, which has marked the clothing of past seasons, has gone into well-merited desuetude. It is time!

THE Japanese conversion loan will be issued in London and Paris within the next two weeks. The amount will be \$115,000,000 at 5%. The most of this vast sum has already been spent, or contracted to be spent, in the United States for steel rails, machinery and other supplies for war preparations. The Japs are working like little fiends to be in readiness to fight somebody. But your Uncle Sam "jus' laffs."

LAST summer in Washington City, CHARLES W. McWHORTERS, an \$1,800 clerk in the city Postoffice, stole \$10,000 of the public funds, played the races and drew a sentence of one year and a day in the Penitentiary. About the same time, in the same city, Miss ELLEN PUCKETT, a young lady of good family who drew a moderate salary in the Agricultural Department, got tired of being poor and forged mortgages on Washington real estate to the value of \$3,000. She has just been sentenced to serve five years in the Penitentiary. The man stole three times more money than the girl, yet he only got one-fifth of her sentence. She didn't get a square deal.

EDITOR RELIEVED.

Master Printer.

She glided into the office of a popular magazine and quietly approached the Editor's desk.

"I have a poem," she began.

"Well?" exclaimed the Editor, with a look and tone intended to annihilate her, but she calmly resumed:

"I have written a poem on 'My Father's Barn,' and"—

"Oh," interrupted the Editor, with extraordinary suavity, "you don't know how relieved I am! A poem written on your father's barn, eh? I was afraid it was written on paper and that you wanted me to publish it. If I should ever happen to drive past your father's barn I'll stop and read that poem."

Make Your Gardening Count

The first thing that helps to make your year's work in the garden profitable is to get fresh, reliable seed—the kind you can be sure of getting here. We are agents for Landreth's Seeds—seeds with a pedigree. You cannot tell the character of a seed by looking at it; so you have to rely on the dealer. The seeds we carry are all of last year's raising. In planting them you can be sure of a good crop and of the exact variety you want. They cost no more than the uncertain kind.

Choice Sweet Peas

If you desire sweet peas in a wide range of color our choice mixed are the kind to plant.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

MR. EDITOR: Less than six months ago we took occasion to compliment the magnificent condition of the turnpike roads in the vicinity of Rectortown and Orangeburg. We of this end of the county naturally supposed that from that time on the Mason county pikes when repaired, would be after the same "brassy" manner; especially the roads leading toward our Capital City of Maysville. Imagine our surprise, when, in attempting to deliver our tobacco this winter, we had to cross and recross the railroad and streetcar tracks to reach the factory and warehouses, because of the dreadful condition of Forest avenue, which had been repaired during the fall. I am only an ordinary haysed, but all those who are so unfortunate as to have to travel over that mass of loose stone will agree with me, that that street is a disgrace to Maysville and Mason county, as well as a fraud on the traveling public.

There she is, traveler and taxpayer; a mass of loose rock 16 or 18 feet wide, reaching from Carmel pike on the East, to Union street, if not farther, with two troughs through the middle made by passing vehicles; these troughs are full of smooth stones weighing from 6 to 18 ounces, and now almost round from contact with steel tires, (a nice place for rubbers) with a large per cent of broken rock lying in the ditch so deposited by the hoofs of passing horses and light vehicles.

Why this state of affairs?

Was not the same Turnpike Committee in charge of repairs in both instances?

Fellow citizens, we must agitate! We must agitate! If our turnpike officials are not competent, do not know how, or are unwilling we must look for those who are. We should have better roads for the money furnished and expended! We must have smoother roads.

REVIVAL

Dr. Baker's Interesting Meeting at M. E. Church

Wednesday's meetings, at the Third Street M. E. Church attracted the usual eager and earnest numbers of people.

Dr. Baker's clear and forcible expositions of the Holy Word in awakening new desires and ambitions in the hearts of many for a more holy and Christ-like life.

He used as his text last evening the words found in John, First Chap, 10th, 11th and 12th

verses, from which he preached a strong discourse urging the necessity of "Receiving Christ." A large number stood up at the close of the service, signifying by that act that they had received Christ into their lives and were endeavoring to live as He would have them live. Services at 2:30 this afternoon and 7:15 this evening. Come and bring a friend and be helped by these inspiring meetings.

Mr. Paul Burling of John I. Winter's, has been appointed organizer in this vicinity for Knights of Columbus, and is already busy securing names for charter membership. The Knights are purely a Catholic institution, and bid fair to be quite numerous in this section.

No Operation

Mrs. Malinda Akers, of Basham, Va., writes: "I had what doctors call 'prolapse,' and couldn't stand straight. I had pain in my back and shoulders, and was very irregular and profuse. Doctors said an operation was needed, but I couldn't bear the thought of the knife. After taking three bottles of Wine of Cardui, I could walk around. Can now do my housework and am in splendid health."

Cardui is a pure, vegetable, medicinal essence, especially adapted to cure women's diseases. It relieves excessive periodical pains, regulates irregularities, and is a safe, pleasant and reliable remedy for all sick women. In successful use for over 70 years. Try it.

HOUSEHOLD CARES

**Tax the Women of Maysville the Same
as Elsewhere.**

Hard to attend to household duties
With a constantly aching back.
A woman should not have a bad back.
And she wouldn't if the kidneys were well.
Doan's Kidney Pills make well kidneys.
Here is a Maysville woman who endorses this
claim:

Mrs. Lizzie Bridges, of 206 West Third street,
Maysville, Ky., says:

In March, 1900, I gave a testimonial recom-
mending Doan's Kidney Pills and in it I told
how I learned the great value of this remedy.
I had been troubled with a bad back and weak
kidneys from girlhood and in my efforts to find
a cure tried every medicine I could find but
without benefit until I began using Doan's Kid-
ney Pills. They proved just the remedy I needed.
They went right to the cause of the trouble and
as a result brought relief that led me to testify
in their favor. I have never been without
Doan's Kidney Pills in the house since. Every
spring I take a box whether symptoms of kid-
ney trouble are apparent or not, and in this way
keep the kidneys in good condition and guard
against attacks of my old trouble.

For sale by all dealers. Price 50 cents a box
Foster-Milburn Co., Buffalo, N. Y., sole agents

Remember the name—Doan's—and take no
other.
